

for the period of fiscal years 2006 through 2010.

Such revised allocations, function levels and aggregates shall be considered as allocations, function levels, and aggregates contained in the most recently agreed to concurrent resolution on the budget.

SA 264. Mr. FRIST proposed an amendmend to the resolution S. Res. 43, designating the first day of April 2005 as "National Asbestos Awareness Day"; as follows:

Strike the preamble and insert the following:

Whereas dangerous asbestos fibers are invisible and cannot be smelled or tasted;

Whereas the inhalation of airborne asbestos fibers can cause significant damage;

Whereas these fibers can cause mesothelioma, asbestosis and other health problems;

Whereas asbestos-related diseases can take 10 to 50 years to present themselves;

Whereas the expected survival time for those diagnosed with mesothelioma is between 6 and 24 months;

Whereas generally little is known about late stage treatment and there is no cure for asbestos-related diseases;

Whereas early detection of asbestos-related diseases may give some patients increased treatment options and might improve their prognosis;

Whereas the United States has substantially reduced its consumption of asbestos yet continues to consume almost 7,000 metric tons of the fibrous mineral for use in certain products throughout the Nation;

Whereas asbestos-related diseases have killed thousands of people in the United States;

Whereas asbestos exposures continue and safety and prevention will reduce and has reduced significantly asbestos exposure and asbestos-related diseases;

Whereas asbestos has been a cause of occupational cancer;

Whereas thousands of workers in the United States face significant asbestos exposure;

Whereas thousands of Americans die from asbestos related diseases every year;

Whereas a significant percentage of all asbestos-related disease victims were exposed to asbestos on naval ships and in shipyards;

Whereas asbestos was used in the construction of a significant number of office buildings and public facilities built before 1975; and

Whereas the establishment of a "National Asbestos Awareness Day" would raise public awareness about the prevalence of asbestos-related diseases and the dangers of asbestos exposure: Now, therefore, be it
